

# *The Cornishway Millionaires Go East in 2010*

(Well North East then South and a bit East)

*Monday 6<sup>th</sup> September to Sunday 12<sup>th</sup> September 2010*

To:

*Bar Steward; Bin Bag Bob; Blaster; Broken Man; Diamond Lil; Dirty Di; Fallen Woman; Felipe Fellop; Flossie; Little Pinky; Lord Stretch; Mash; Pete Cross; Pinky; Pullitt; RJ; Raving Hatrack; Sturmy Archer; Suzy Wong; Tooley; Trucker; Twiggy; Wally; Wiffy Runt*

A new front is being planned for 2010 by the Team that brought you such epic campaigns as 'Shop Window Dummies' and 'Wasp Swallowing at 20 Knots'. We will boldly go and conquer new lands where ladies drink cider, seagulls fly backwards and bicycles are fitted with ashtrays.

Brown emails and envelopes are now going to the usual effluent members of our society and we are looking to raise an Expeditionary Force of 20 to 24 Bashers (max), from the 1<sup>st</sup> Teign Valley Foot and Pedal Millionaires Brigade for the Monday to Friday rape & spillage section of the campaign. The usual opportunity will be offered for camp followers, domestic staff and slaves to join us on the Friday for the end of tour Victory celebrations. The possibility will, of course, exist for female foot soldiers to forage independently towards our final objective and join up with the main body of troops at journeys end.

The actual route, as always, will mainly be on National Cycle Routes (where possible), cycle tracks, minor roads etc. Hopefully the countryside will be slightly less bumpy than in previous years, certainly for a day or two on the Somerset Levels. Final routing will be fine tuned by one of our expert 'Trailmasters' and daily rides are anticipated to be 35 - 45 miles. Suitable watering and refuelling stops will be found daily at hamlets and villages en route. Areas of the Quantocks, Mendips, Cheddar Gorge, and the gentler Somerset Levels will be covered before dropping down through 'Pointy Head' country in Dorset to our weekend destination of Weymouth.

Evening stops will be in or near: - Tiverton, Bridgwater, Wells and Yeovil.

The weekend will offer optional visits by bike, foot, bus or boat etc to the Isle of Portland, the South West Coastal Path east towards Lulworth or west to Chesil Beach and Abbotsbury.

Fortified accommodation establishments to our normal high standards & suited to the status of our illustrious riders will be sought and booked so don't expect an 'economy week' and don't forget your braces!

Best Regards from Hatrack, Acting Corporal of Bike, 2010 Tour
