

Haldon Forest Park

Rider's Meeting

Tuesday 5th August
7.30pm-9.00pm
Exeter Racecourse

Over the past 12 months international mountain bike trail builder Dafydd Davis has been assessing and planning the future of the cycle trail network at Haldon Forest Park, for the benefit of all ages and abilities.

All cyclists with an interest in the trails are invited to come and hear about the results at this evening meeting. Dafydd and Forestry Commission staff will be on hand to explain the plans and answer any questions.

Play your part, and help us to achieve a fun, sustainable, world-class trail network at Haldon.
